Global Updates

According to WHO, total confirmed cases worldwide is 9,129,146 with 473,797 deaths. The top three affected countries include USA, Brazil and Russian Federation. The number of total confirmed cases, new cases and total deaths respectively are as follows: USA (2,295,272; 26,519 and 120,171), Brazil (1,106,470; 21,432 and 51,271) and Russian Federation (606,881; 7,176 and 8, 513). According to WHO, globally coronavirus cases is expected to hit 10 million within the next week, as it warns the virus is yet to peak in the Americas; even as it has approved the use of dexamethasone for critically-ill COVID-19 patients. Millions of migrant workers who lost their jobs in their countries of work due to the coronavirus pandemic are expected to return home to already over burdened labour markets, says the United Nations’ International Labour Organization. Brazil’s health ministry has announced plans to expand testing. French Authorities have closed two schools in Paris, after the discovery of coronavirus cases as a precautionary measure, having resumed obligatory schooling for all pupils on Monday after the coronavirus shutdown. According to the International Monetary Fund (IMF), the global coronavirus pandemic has sparked an economic crisis, sending world GDP plunging 4.9 percent this year and wiping out $12 trillion over two years. In Africa, there are 239,548 confirmed cases and 5,290 deaths. South Africa has the highest record of 106,108 confirmed cases and 2,102 deaths; followed by Nigeria (21,371 confirmed cases, and 533 deaths); Ghana (14, 568 confirmed cases, with 95 deaths) and Algeria (12,076 confirmed cases, with 861 deaths).

Nigeria

Six hundred and forty-nine (649) new COVID-19 cases, have been reported from 22 states- Lagos (250), Oyo (100), Plateau (40), Delta (40), Abia (28), Kaduna (27), Ogun (22), Edo (20), Akwa Ibom (18), Kwara (17), FCT (17), Enugu (14), Niger (13), Adamawa (13), Bayelsa (7), Osun (6), Bauchi (6), Anambra (4), Gombe (3), Sokoto (2), Imo (1) and Kano (1). This makes a total of 22,020 confirmed cases of COVID-19 distributed as follows in 35 states and the FCT: Lagos (9,323), FCT (1,622), Kano (1,191), Oyo (1,155), Rivers (930), Edo(817), Ogun (721), Kaduna (635), Delta (609), Bauchi (488), Gombe (482), Borno (477), Katsina (434), Jigawa (317), Plateau (293), Abia (280), Ebonyi (264), Imo (247), Kwara (217), Nasarawa (193), Bayelsa (184), Enugu (174), Ondo (162), Sokoto (140), Akwa Ibom (83), Niger (79), Zamfara (76), Osun (73), Anambra (70), Kebbi (67), Adamawa (58), Yobe (56), Benue (47), Ekiti (35), Taraba (18) and Kogi (3). Cross River is yet to record any case. Three members of the Oyo State Executive Council have tested positive for COVID-19. Taraba State Government has appealed to the Federal Government to establish a COVID-19 testing centre to aid testing in the
state, though the state currently has no active case recorded since May 18th. The Federal Executive Council has approved the N2.3trillion COVID-19 stimulus plan to support plan to support the nation’s economy in view of the global pandemic.

**Lagos State**

Two hundred and fifty (250) new COVID-19 cases; this brings the total confirmed cases to 9,323 which is more than two-fifths (42%) of the total confirmed cases in the nation. The total number of discharged cases remains at 1,328 while COVID-19 related fatalities remain at 108, one-fifths (20%) of the nation’s mortality figures. LASU has produced an automated solar-powered hand washing station machine as part of contributions to the fight against COVID-19 in the country. Contact tracing and sample collection for COVID-19 still on-going at various sample collection centres in the state. Residents are advised to continue to adhere strictly to the use of face mask, physical distancing and hand hygiene.
