Global Updates

According to WHO, total confirmed cases worldwide is 6,194,533 with 376,320 deaths. The top three affected countries include USA, Russian Federation and Brazil. The number of total confirmed cases, new cases and total deaths respectively are as follows: USA (1,783,638; 26,116 and 104,247), Brazil (514,849; 16,409 and 29,314) and Russian Federation (423,741; 8,863 and 5,037). WHO warns of pressure on Latin American health systems, four of the 10 countries showing the greatest number of new COVID-19 cases over the last 24 hours; Brazil, Peru and Mexico are among countries easing restrictions despite warnings from WHO that has warned that reopening economies too quickly risks a resurgence of the virus while France, which is emerging from a similar situation begins a gradual return to normalcy. Indonesia which makes up the largest contingent of worshippers is pulling out of the annual Islamic pilgrimage to Mecca over coronavirus fears. A Rohingya refugee has died in Bangladesh in the first Covid-19-related fatality at the world's largest refugee camp. In Africa, there are 108,121 confirmed cases and 2,700 deaths. South Africa has the highest record of 34,357 confirmed cases and 705 deaths; followed by Nigeria (10,578 confirmed cases, and 299 deaths); Algeria (9,513 confirmed cases, with 661 deaths) and Ghana (8,070 confirmed cases, with 36 deaths). In Mali teachers have begun strike, the first day schools reopened after being closed for two months, over fears of inadequate protection against coronavirus. Senegal delays reopening of schools after fresh COVID-19 cases.

Nigeria

Two hundred and forty-one (241) new COVID-19 cases have been reported from 14 states – Lagos (142), Oyo (15), FCT (13), Kano (12), Edo (11), Delta (10), Kaduna (9), Rivers (9), Borno (8), Jigawa (4), Gombe (3), Plateau (3), Osun (1), Bauchi (1). This makes a total of 10,819 confirmed cases of COVID-19 distributed as follows in 35 states and the FCT: Lagos (5,277), Kano (970), FCT (687), Katsina (371), Edo (336), Oyo (317), Kaduna (297), Borno (296), Ogun (280), Jigawa (274), Rivers (248), Bauchi (241), Gombe (164), Sokoto (116), Kwara (111), Plateau (108), Delta (98), Nasarawa (80), Zamfara (76), Yobe (52), Akwa Ibom (45), Osun (45), Adamawa (42), Ebonyi (40), Imo (39), Niger (33), Kebbi (33), Ondo (28), Bayelsa (21), Ekiti (20), Enugu (18), Taraba (18), Abia (15), Anambra (11), Benue (9) and Kogi (2). According to the Covid-19 Presidential Task Force (PTF), “at the onset of COVID-19, cases in Nigeria with travel history went from 100% to a current 2% as at June 01; 23% of cases are contacts of confirmed cases while source of infection of 75% is unknown reflecting ongoing community transmission in Nigeria. 60 percent of confirmed cases of Covid-19 in Nigeria are in 20 LGAs, out of 774 LGAs with over 65,000 persons now tested in Nigeria, and the Molecular Lab Network has increased to 30. 812 healthcare workers have been infected in Nigeria; 29 of them work for NCDC. Citizens are encouraged as we enter into the next phase of the eased lockdown to take responsibility: wear your face mask, practice good hand & respiratory hygiene & maintain social distancing”. Kaduna State Government says it will not re-open markets or places of worship until further notice as the nation continues to battle the COVID-19. Similarly, Lagos State Government has ruled out the
possibility of reopening churches and mosques in the state now.

**Lagos State**

One hundred and forty-two (142) new COVID-19 cases; this brings the total confirmed cases to 5,277 which is almost half (48.7%) of the total confirmed cases in the nation. 33 more COVID-19 cases; 7 females & 26 males including 3 foreign nationals - Indians were discharged, this brings the total discharged to 908, while 8 more COVID-19 deaths were recorded, this brings COVID-19 related fatalities to 67, about one-fifths (21%) of the nation’s mortality figures. The State Government has carried out a comprehensive assessment of 329 Primary Health Care Centres in the state, to meet up with the healthcare needs of Lagosians in the face of outbreak of COVID-19 pandemic. Contact tracing and sample collection for COVID-19 still on-going at various sample collection centres across the 20 LGAs of the state.
