LASUTH OFFICIALLY COMMISSIONS NEW INTENSIVE CARE AND OPERATING THEATRES EQUIPMENT

The Lagos State University Teaching Hospital, (LASUTH), known for delivering progressive quality health services to the people of Lagos and by extension, to Nigerians, has again taken steps forward as it commissioned newly acquired intensive care and operating theatres equipment, on Friday, 15th of September, 2023.

The Director Clinical Services & Training, Prof. Adebowale Adekoya, in his opening address, appreciated the Lagos State Government for continually equipping the hospital. He said, "We all know that the Lagos State Governor, Mr Babajide Olusola Sanwo-Olu, places a lot of premium on accessible and affordable health care in Lagos State owned public hospitals at primary, secondary and tertiary levels. As a matter of fact, health care is one of the pillars of the THEMES agenda of Mr. Governor, and that is the reason we are here today for this commissioning"

While giving his address during the event, the Chief Medical Director, Prof. Adetokunbo O. Fabamwo, also saluted the Lagos State Governor, Mr. Babajide Olusola Sanwoolu, for his continuous support in ensuring that healthcare service delivery is top notch, emphasized the significant impact of the new intensive care and operating theatres equipment.

LASUTH CARRIES OUT FREE SURGICAL MISSION FOR 50 INDIGENT PAEDIATRIC PATIENTS

Always on a mission to save lives, the Lagos State University Teaching Hospital (LASUTH), on Monday, 15th of September, 2023, carried out a surgical mission on for 50 indigent patients at the main theatre complex of the hospital. The mission is part of the activities heralding the 22nd Annual Scientific Conference and Annual General Meeting of the Association of Paediatric Surgeons of Nigeria (APSON), themed "Evidence-Based Practice in Paediatric Surgery", and sub-themed, "Sub-Specialization in Paediatric Surgery: Opportunities and Challenges.

The conference kicked off with a courtesy visit from the executive members of the association and the sponsor of the surgery to LASUTH Management of the hospital. During the visit, the Chief Medical Director, Prof. Adetokunbo O. Fabamwo, welcomed and congratulated the association on their annual scientific conference. He saluted the sponsors of the mission, NOVA Merchant bank, he referred to them as partners supporting the hospital because of their noble contributions to this cause. He said, "LASUTH is obviously a preferred destination for healthcare services. Our hospital is rapidly progressing and we welcome all and sundry who would like to be a part of the good work being done here."

The Department organized a medical outreach which took place at Ipodo Market, Ikeja.

6 WORLD HEALTH DAYS

LASUTH CELEBRATES WORLD PHARMACY DAY

Pharm. Olayinka Rukayat, an Assistant Director of Pharmacy at LASUTH has reiterated the need for patients living in Lagos State to enroll on the Lagos State Health Insurance Scheme (LSHS- ILERA EKO). This she says, would enable them get medication at more affordable rates. This admonition came at the sensitization programme held during World Pharmacy Day, which held on Monday, 25th September, 2023. The programme was themed "Pharmacy Strengthening Health System." Meanwhile, the Chief Medical Director, Prof. Adetokunbo O. Fabamwo, while praising the effort of the Department hinted on his vision of empowering the Department to begin small scale manufacturing to support patient treatment.

WORLD LUNGS DAY

'Access to Prevention and Treatment for All: Leave No One Behind', was the theme of the 2023 World Lung Day and LASUTH pulmonologists were not left out from the celebrations which took place on the 25th of September, 2023. In a bid to spread the word, the team went on a visit to the Ipodo market, Ikeja, for a Sensitization programme, where Prof. Olufunke Adeyeye, Head Pulmonologist of the Respiratory Unit, Medicine Department in LASUTH, admonished all and sundry to avoid factors such as indoor or outdoor air pollution which can limit or prevent lung disease.
